First Semester	Second Semester
Biology 151 (4cr) <sup>1</sup> Chemistry 210 (4cr) Math 112 (3cr)  Core General Ed (3 or 4cr) <b>or</b> General Ed from Distribution area A or C (3cr)  <b>Total semester credits=14 to 15</b>	<sup>1</sup> Biology 262 (4cr) Chemistry 211 (4cr)  Statistics 193 (3 Cr) General Ed from Distribution area A or C (3cr)  <b>Total semester credits=14 to 15</b>
Third Semester	Fourth Semester
Biology 360 (4cr) and 366 (4cr) Chemistry 240 (4cr) or 310 (5cr)  Core General Ed (3 or 4cr) <b>or</b> General Ed from Distribution area A or C (3cr)  <b>Total semester credits=15 to 17</b>	Biology 362 (4cr) and BIOL Elective (4 Cr) Chemistry 241 (4cr) or 311 (4 cr)  Core General Ed (3 or 4cr) <b>or</b> General Ed from Distribution area A or C (3cr)  <b>Total semester credits=14 to 16</b>
Fifth Semester	Sixth Semester
Biology Electives (8Cr)  General Ed from Distribution area A or C (3cr) * See Below  <b>Total Semester Credits=15 to 16</b>	Biology Electives (7 or 8 Cr) <sup>2</sup> PESS 122 (1cr)  Core General Ed (3 or 4cr) <b>or</b> General Ed from Distribution area A or C (3cr)  <b>Total Semester Credits=14 to 16</b>
Seventh Semester	Eighth Semester
Clinical Phase Requirements (32cr total)  <b>Total Semester Credits= 12 to 16</b>	Clinical Phase Requirements (32cr total)  <b>Total Semester Credits= 12 to 16</b>

**Notes:**

<sup>1</sup>A placement exam administered by the Department of Chemistry is required to determine readiness for Chemistry 210. Contact the Chemistry Department at 320-308-3031.

<sup>2</sup>PESS 122 is a one credit Health and Wellness course required for all SCSU students. It may be taken any semester but is required for graduation. Contact Departments by February 1<sup>st</sup> to determine expected Summer course offerings. Not all Biology electives are offered both Fall and Spring Semesters. Contact the Biology Department for specific course offerings. SCSU requires a minimum of 120 semester credits to earn a Bachelors degree, 45 of these credits must be at the 300 or 400-level. Medical Technology majors do not have to take General Education courses from Distribution Area B. A total of 10 general education courses are required of students in this major: five core courses; Engl 191, CMST192, <sup>3</sup>Math 112, STAT 193, Phil 194, Democratic Citizenship 195 and a total of five courses in Distribution areas A and C. The courses may be three in Area A and two in Area C or vice versa. All SCSU students are required to complete a Racial Issues course; all of these courses are included in Area C and fulfill one course in Area C.

\* Students must apply for graduation and clinical programs. Students who do not maintain a 3.0 GPA in science courses are not competitive for slots in clinical programs. See program advisor for applications and information.
